

# Professional TRANSLATIONS for a beer money price

Are you a developer?  
Do **you want** more downloads?  
Do you have \$10?

There are **280 MILLION** Portuguese speakers!  
**90%** of them do not understand English!

I will translate whatever you want  
(apps, games, ads, websites, books, texts, etc...)  
from **English, French, or Spanish to Portuguese.**

I only do **manual translations** that will **sound natural!**

I've already translated, subtitled, and revised  
many TV shows, movies, and famous mobile games.

I proofread every file, but if there is any issue,  
I will gladly modify it until you are 100% satisfied.

I will translate 250 words for a small \$10 fee  
and deliver the translation in under 24h.

**Contact me** if you have any questions,  
concerns or if you want **to make an order.**
